

## THE SELFISH GIANT

Testo a cura della Prof.ssa Francesca Comba e illustrazioni di Sara Memore

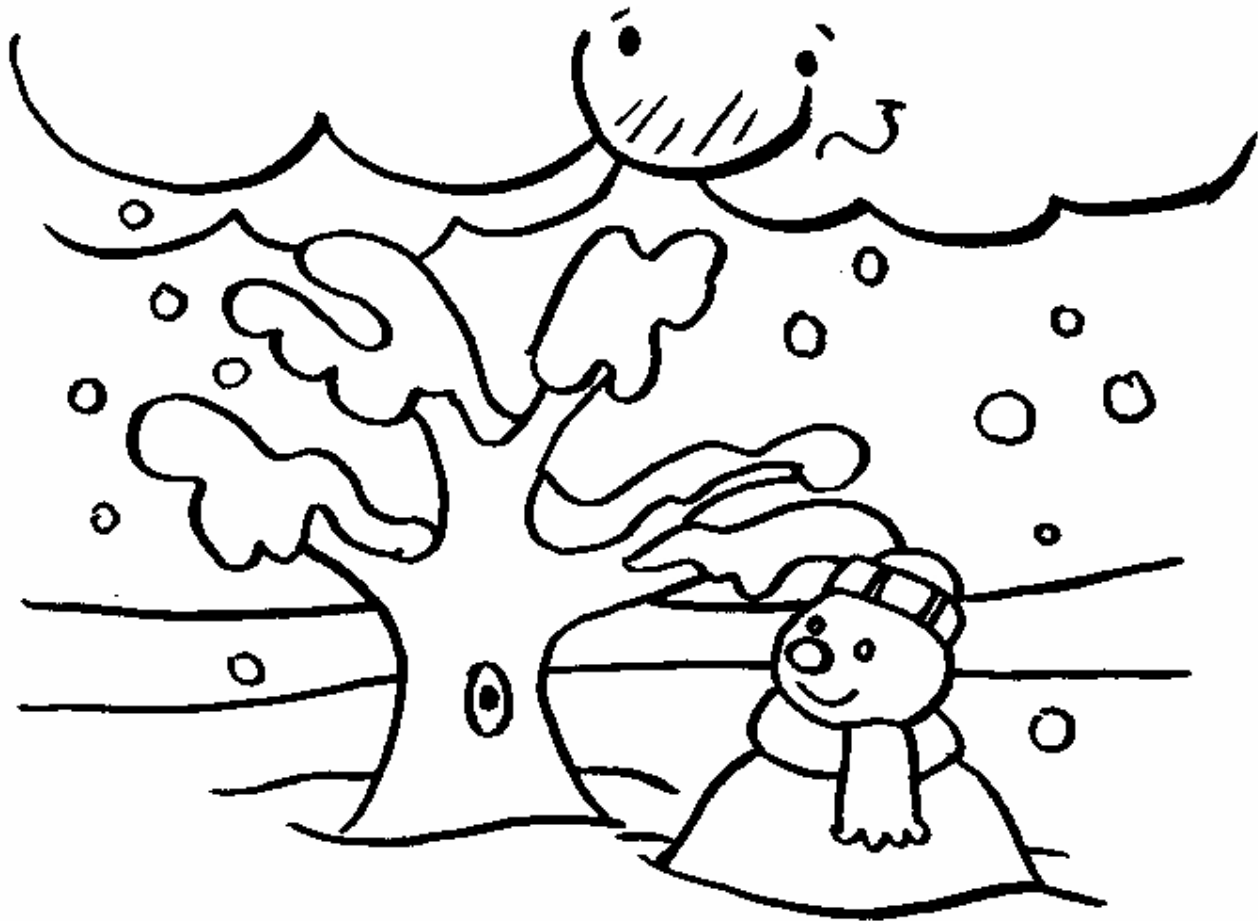

1. Nel giardino del Gigante le stagioni variano spesso aiutami a scriverle in inglese come erano nel testo originale di Oscar Wilde:

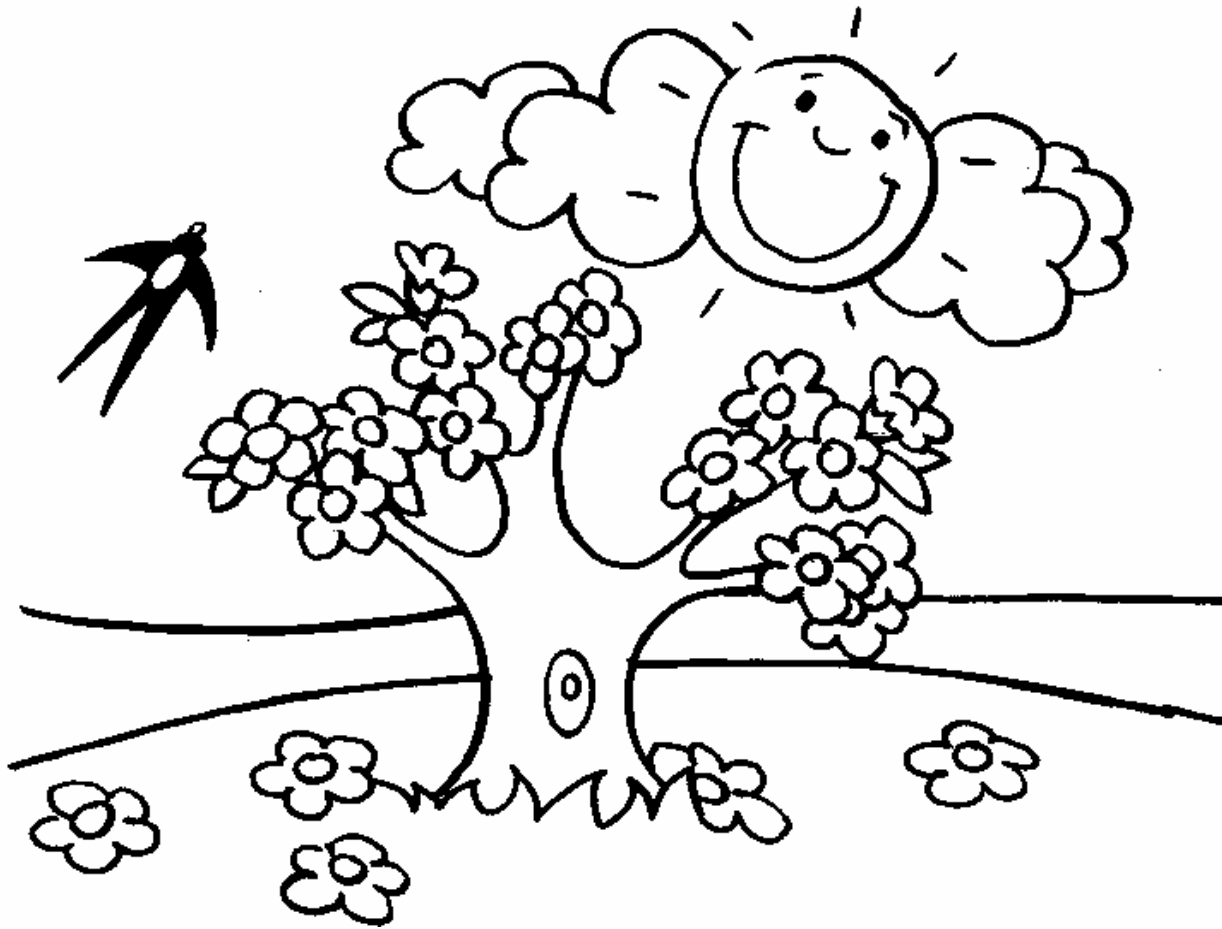

IT'S \_\_\_\_\_

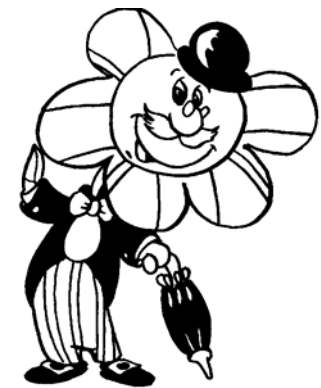

IT'S -----

IT'S -----

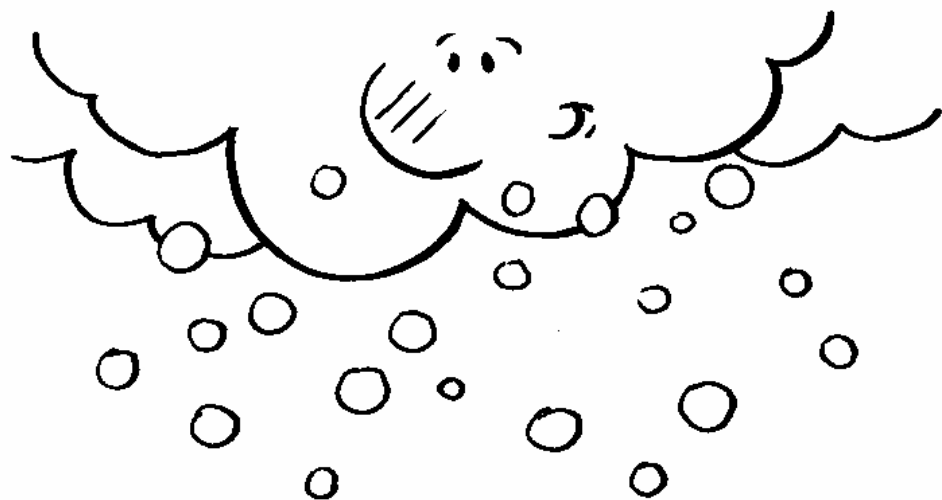

IT'S \_\_\_\_\_

If you like the exercise the flower is green, otherwise it is red.

2. Ogni *season* ha una caratteristica, come hai visto nello spettacolo:

← In winter  
It's .....

In autumn  
It's.....

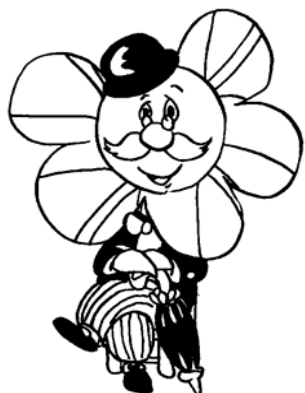

In summer  
It's.....

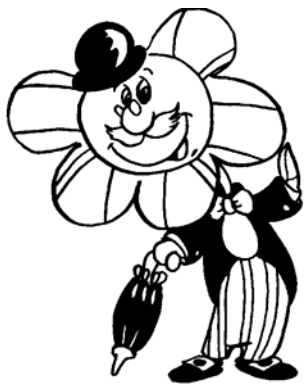

In spring  
It's.....

If you like the exercise the flower is yellow, otherwise it is blue.

**3. Alla fine dello spettacolo, mentre i bambini giocano nel giardino del gigante ci sono molti..... . Aiutami a ricostruire la scena in inglese inserendo *there is* o *there are*:**

- a. .... many trees
- b. .... a giant
- c. ....many birds and flowers
- d. ....the sun
- e. ....many children

**If you like the exercise the flower is orange, otherwise is brown.**

4. Descrivi l'umore di questi bambini usando **SAD, HAPPY, SCARED, TIRED, CROSS** ed usando **SHE** o **HE** a seconda dei casi:

esempio:

She is happy

1- .... Is .....

2- ..... Is .....

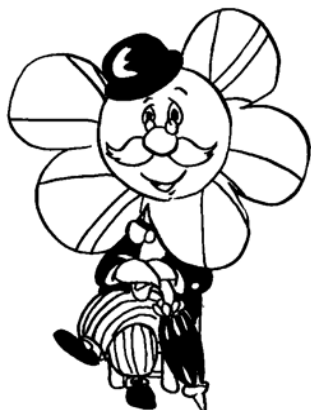

3- ..... Is .....

4- ..... Is .....

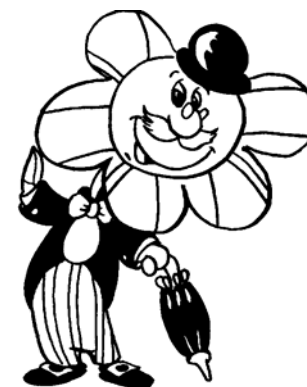

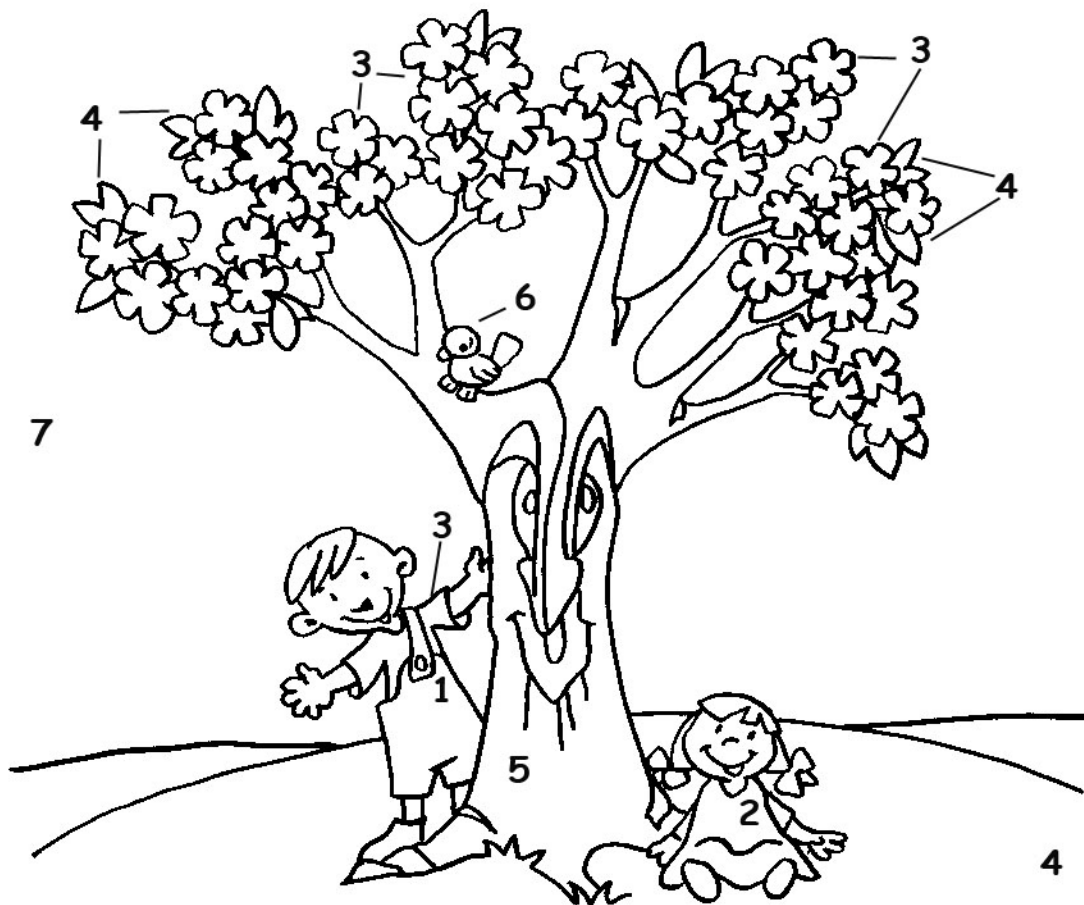

5- ..... Is .....

If you like the exercise the flower is pink, otherwise it is grey.

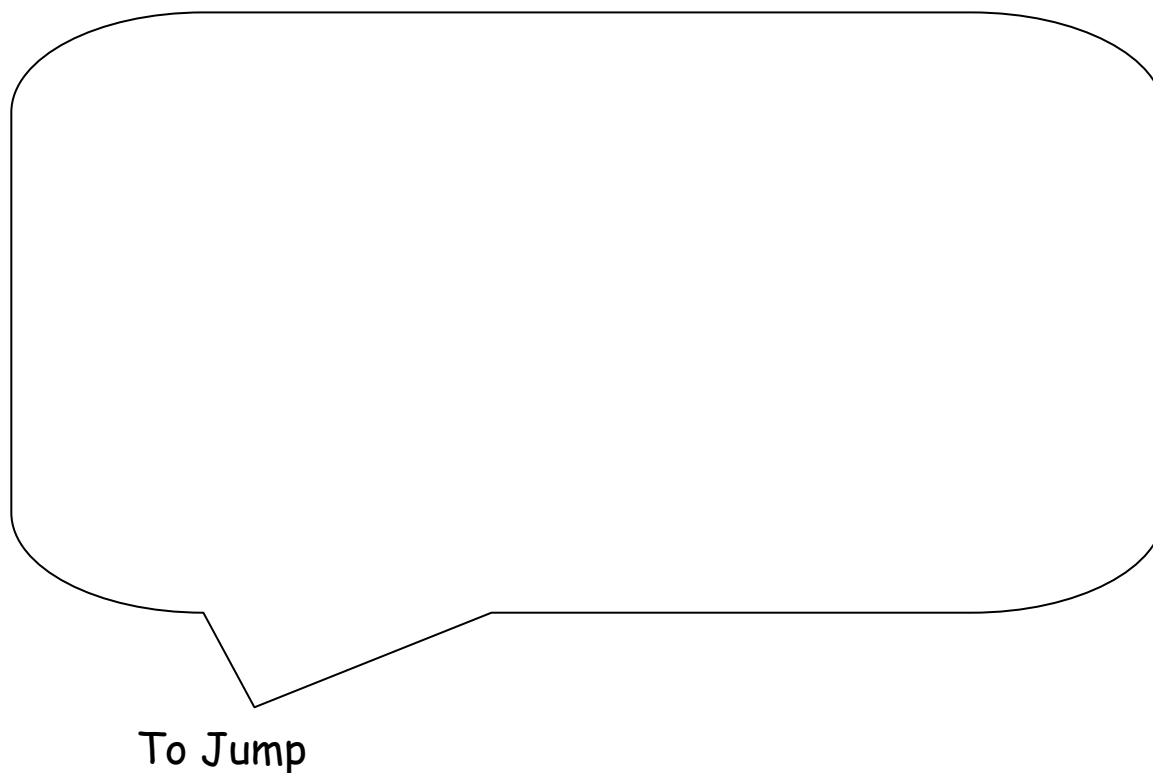

**5. Colora l'immagine come indicato dalla legenda:**

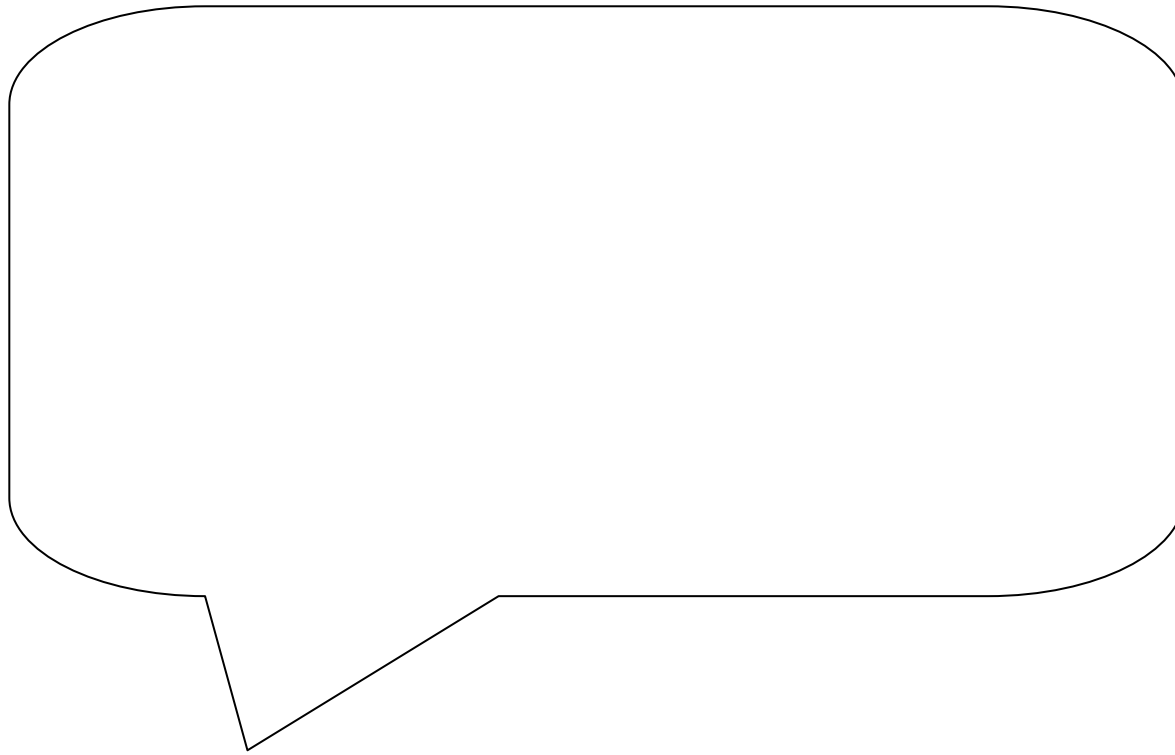

1 red	2 pink	3 orange	4 green	5 brown	6 yellow	7 blue
-------	--------	----------	---------	---------	----------	--------

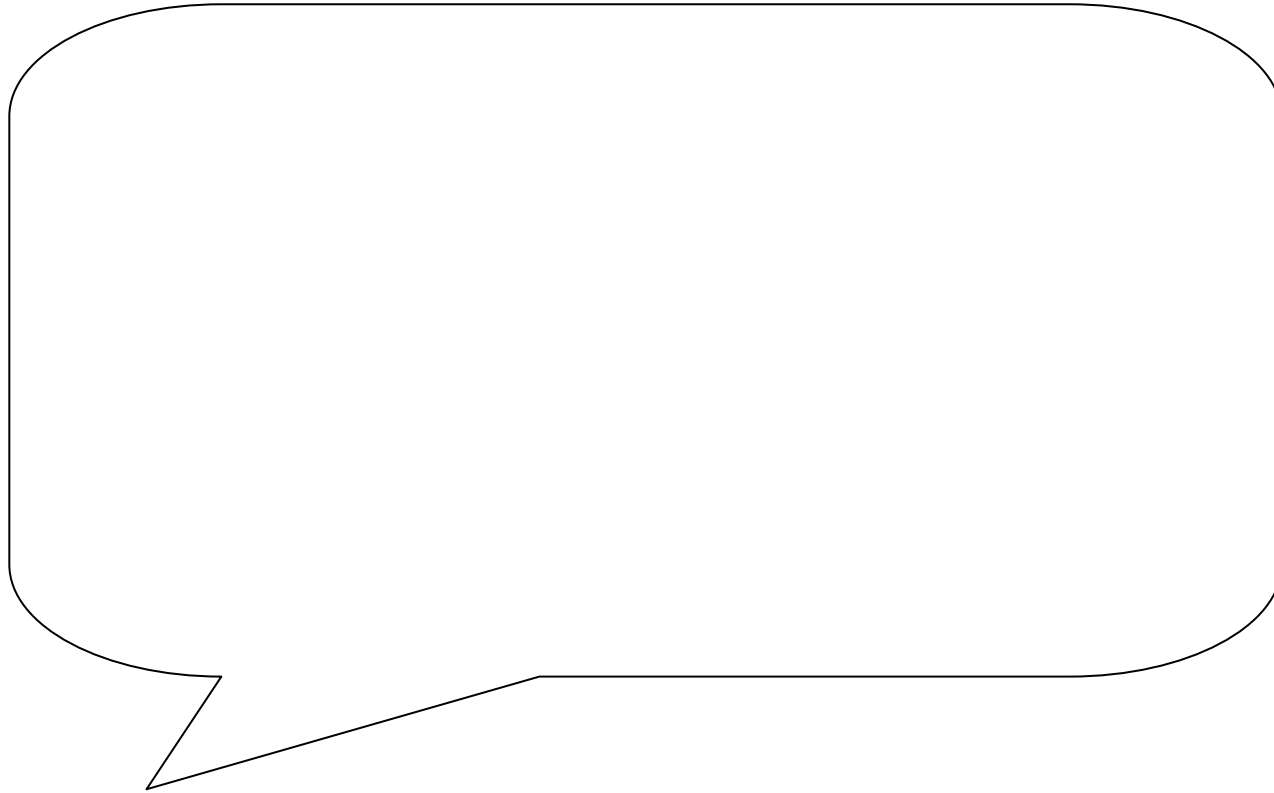

**If you like the exercise the flower is violet, otherwise it is black.**

**6. Come hai visto nello spettacolo i bambini giocano spesso quando sono felici, come fai tu a scuola durante l'intervallo, ecco alcune azioni che tu dovrai aiutarmi a tradurre illustrandole con dei disegni:**

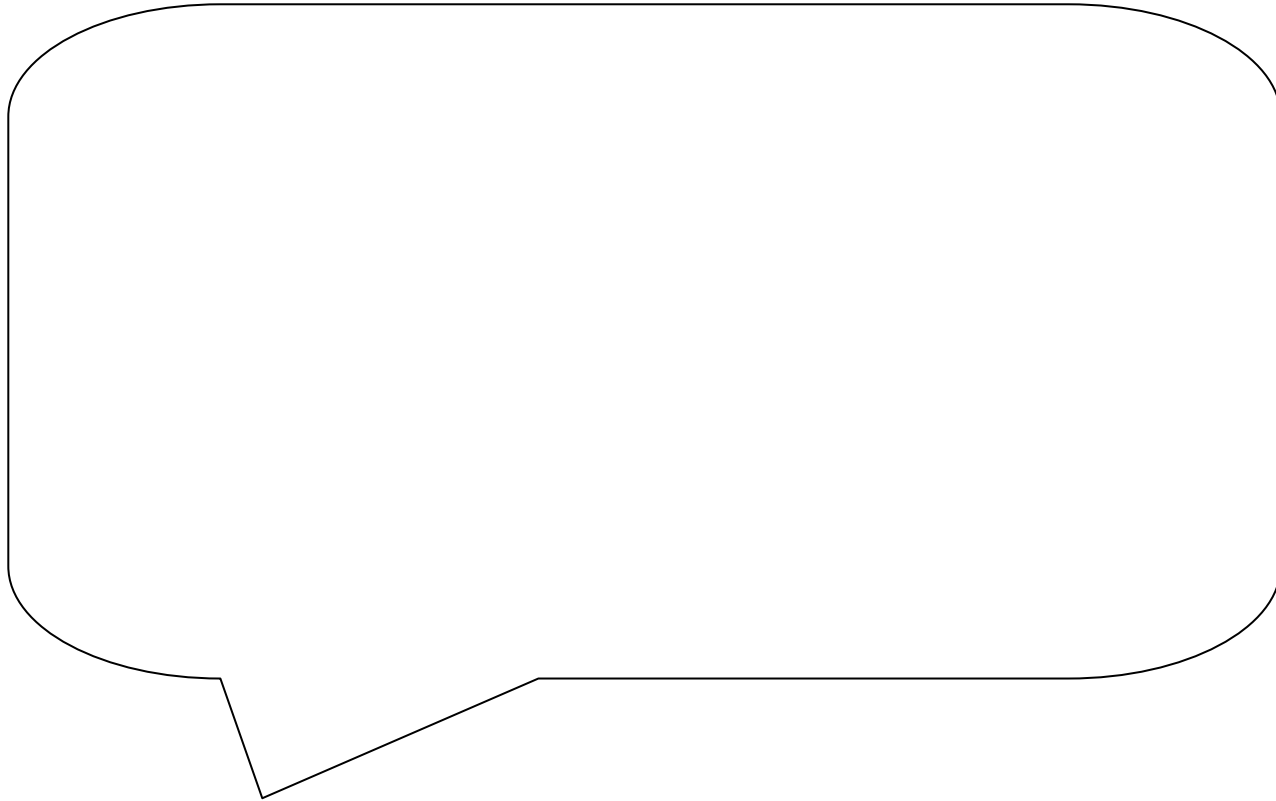

To hop on one foot

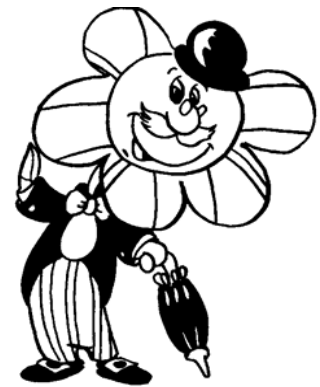

To play

To skip

**If you like the exercise the flower is light blue, otherwise it is grey.**

**6. Per esprimere un'azione che si sta svolgendo nel momento stesso in cui parli, in inglese si usa il PRESENT CONTINUOUS.**

**Coniuga questi verbi come nell'esempio:**

Es. She is playing with her cat

To skip

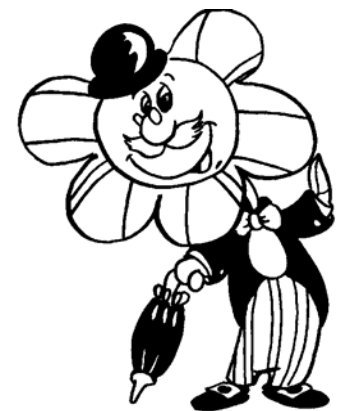

To Jump

to play with the ball

to hop on one foot

to skate

**If you like the exercise the flower is green, otherwise it is red.**

**7. Ora con l'aiuto degli esercizi precedenti completa questo testo, inserendo le seguenti parole:**

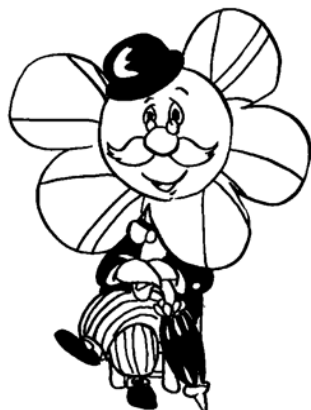

Trees - winter - sing - birds - sad - school - happy - spring - skip - green - garden - jump  
play - don't

Every afternoon, after ..... , children play in the Giant's ..... . They ....., ..... and play with the ..... . They are .....

During ....., the garden is lovely. .... sing, grass is ..... and ..... are full of flowers. After Giant's arrival, everything changes.

Flowers disappear, everything is white, because it's ..... . Birds don't ..... and ..... fly.

Children are ..... .

**If you like the exercise the flower is green, otherwise it is red.**
